August 8, 2012

Mr. Randall Sawyer  
Hazardous Materials Programs Director  
Contra Costa Health Services  
4585 Pacheco Boulevard  
Martinez, CA 94553-2233

Dear Mr. Sawyer,

In accordance with the December 14, 2004 Contra Costa Hazardous Materials Program (CCHMP) Department Hazardous Materials Incident Notification Policy, Chevron is providing a 72-hour written report for the Community Warning System Level 3 event which occurred at the Chevron Richmond Refinery on August 6, 2012.

The purpose of the attached report is to confirm/modify the information provided in the initial notification provided on August 6, 2012. If you have any additional questions or concerns, please feel free to contact Karen Draper of my staff at (510) 242-1547 or myself.

Sincerely,

A handwritten signature in blue ink that reads "Steve Wildman".

Steve Wildman
